GENDER VARIANCE & GENDER DYSPHORIA PROFESSIONAL TRAINING PROGRAM

DR ELIZABETH RILEY

This two day workshop will ground professionals to support and assess individuals presenting with gender dysphoria and/or diversity, in particular children approaching puberty, teenagers & youth

- workshops will utilise videos, case examples and live client demonstrations
- participants will engage in small group activities, discussion and self-reflection
- readings and activities designed to improve skills will involve 'taking a gender history' and working in pairs to prepare a short presentation for the second day
- a reflective writing exercise has been designed for completion after the workshop to enable participants to assess their learning and readiness to accept referrals
- post-workshop follow-up and support includes face-to-face and web-based feedback sessions with Dr Riley
