Freedom! promotes the welfare of gender diverse individuals, their families, friends and allies, in Queensland. We do this by:

- \* running social activities such as our monthly meetings
- \* providing information and peer support around gender identity, transitioning, physical and mental health, employment and housing etc.
- \* campaigning for law reform and better government support of sex and/gender diverse citizens.

<http://www.pflagbrisbane.org.au/>

The motto of PFLAG Brisbane is “Keeping families together.” PFLAG is very proactive in promoting acceptance and understanding of people who disclose their sexual diversity to family and loved ones. Parents often feel isolated, confused or angry when their loved one “comes out” and this is an important area where PFLAG can offer assistance.
