The Coming Out Proud Program (COPP) provides strategies to allow GLBTI people in the Tasmanian regions to 'come out with pride' and live in their community with dignity as fully respected and participating members. COPP works at a local/regional level through Community Liaison Committees and at a state level through the Tasmanian Council for Sexual & Gender Diverse People Inc.

Tasmanian regions include Greater Hobart, Kingborough/Huon, Greater Launceston/East Coast, and the Cradle Coast (North West/West Coast).
