

UNDERSTANDING SEX AND GENDER DIVERSITY

TWO HOUR WORKSHOP

This workshop is delivered by ACT's leading trans, gender diverse and intersex peer support organisation and is for everyday people who want to better understand and support our community.

We will explore the basic concepts of sex (bodies) and gender as well as language used within the intersex, trans and gender diverse community. We'll provide a judgement-free, welcoming environment where you can ask the questions that you might feel too awkward or embarrassed to ask elsewhere so that you can be a better ally at work and in everyday life.

What is the difference between sex, sexuality and gender?

What does intersex mean (the I in LGBTIQ!)?

How can your workplace and services be more inclusive of our community?

What do trans, gender diverse and intersex people want you to know about them?
